**CORRECTED COPY**

Date Closing: 9/4/03

Crew: 8015

Bulletin #: 0-12-03

Salary: Range 58

Job Classification: Heavy Vehicle & Equipment Technician

Value of State-Paid Health and Dental Insurance: \$265.82 biweekly

Value of State's share of employee's retirement: 16.07% of pay

Job Description: Routine maintenance and repair work on cars, trucks, heavy construction equipment, various accessories and small equipment. Work other than regular hours as required to fulfill the performance of essential services. Assignment by supervisor, which may involve assignment to any area within the confines of this Division of Motor Transport Service.

Required Knowledge and Abilities: Technical knowledge and experience in hydraulic pumps, motor hoists, cylinders, control valves and circuitry. General experience in heavy construction equipment related to power steering, transmissions, final drives, power and air brakes and diesel engines. Ability to troubleshoot and repair mechanical, electrical and hydraulic failures/problems in a variety of vehicles and mechanical equipment. Good working knowledge of manual and power tools of the trade.

Minimum Qualifications: Four (4) years experience, education, and/or training in the maintenance, repair and/or rebuild of automotive and/or construction equipment, including two (2) years of experience working with heavy vehicle and construction equipment. **Must obtain a State of Maine class B CDL with air endorsements and Class A & D inspection license as a condition of successfully completing probation. Some positions may also include Class E inspection license requirement.**

Other:

Necessary Special Requirements: The ability to pass physical examination and Department of Transportation tests for certification to operate departmental vehicles

Selection Process: Selection will be made on the basis of experience, past records, and performance on an interview. Applications will be screened in order to select candidates for an interview.

Application Process: Each applicant (including employees interested in a transfer) must complete the Direct Hire Application For Per 3 and the MDOT Supplement Form PR-6. These applications must be received by 4:30 p.m. on the closing date listed above. Applications must be sent to: Walter Wiczorek, Director MOTOR TRANSPORT SERVICE 105 Capitol Street, Station 26 Augusta, Maine 04333.
